any idea of interest rates for education loan...

sbi dombivli offers i guess 12.67% rate..
which would be the lowest and hassle free...let me know..
thanks in advance.

SBI

till 4 lakh no security, above 4 lakh needs some security
around 13% interest rate..

payment starts 6 months after completion of course or start of job..whichever eariler.
they also take some margin money or processing costs.

dont know about other banks..
